Dear Mr. Owen:

Re: Appendix 7-M, Bear Canyon Mine, Co-Op Mining Company, ACT/015/025-92T, Folder #3, Emery County, Utah

The revised Appendix 7-M has been reviewed for the existing permit area. As stated in you cover letter, dated February 15, 1993, "it is understood that this submittal is not for the purpose of meeting the Federal Lease monitoring requirements. The appendix has been revised for incorporation into the existing MRP as additional monitoring points."

Therefore, the information submitted February 15, 1993 is approved for the current permit area. However, the references to the Federal Leases which are included on page 7M-2 must be deleted. Please submit three copies of the finalized pages, with the appropriate deletions by March 23, 1993.

Sincerely,

A handwritten signature in cursive script, reading 'Pamela Grubaugh-Littig'.
